HERE is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than add 3. The result is your key number. Start at the upper left hand corner of the rectangle and check every one of your key numbers, left to right. Then read the message the letters you see the checked figures give you.

## Elaine Barrie Says Parting Permanent; No Reconciliation

New York, May 4.—Elaine Barrie, 24-year-old wife of 27-year-old actor John Barrymore, today said she had decided to part with her husband "permanently" and refused to discuss her husband's future with him.

Her only comment on his career was that she had accepted to "defend and deceive" him as the declaration.

"There is no hope of reconciliation this time," she said.

The "great profile" she married four years ago after a cross-country romance was now over.

At Stone City, Iowa, Barrymore is touring with the comedy, "My Dear Children," left the cast in St. Louis last week threatening to get a divorce. Dora Dudley replaced her.

In the suit filed here yesterday, Barrymore accused his wife of conspiring with her mother, Mrs. Elsie Jacobs, and financial adviser, David Fisher, to "defraud and deceive him."

He said that in 1933 he had empowered the three defendants to use his funds to purchase property for him but that they had refused to turn over to him "any balance thereof remaining in their possession, and the property purchased and acquired."

This property, he said, included a house at Bel Air, West Los Angeles, two automobiles, works of art, rugs, books, manuscripts, furniture, pianos, guns, fishing tackle and wearing apparel.

John Woodall of Bonfield Expires

John Woodall, 57, farmer and resident of Bonfield for 26 years, died at 10:45 o'clock Wednesday night at St. Mary hospital after a short illness.

Funeral services will be held at 2 o'clock Saturday afternoon at the Herms Memorial temple with the Rev. Paul Lang officiating and burial in Mount Grove.

Born May 6, 1881 in Pulaski county, Ky., he was married there Feb. 10, 1901 to Mary Taylor and they came here in 1913.

Buried beside the widow are sons Victor, Frank and Leroy of Bonfield, Henry, Sherman and Floyd of Kankakee, daughters Mrs. Minnie Koles of St. Anne, Mrs. Lura Nease and Grace of Bonfield, Mrs. Mary Koles of St. Anne, and two half sisters.

Armour Ambassador to the Argentine

Washington, May 4.—(AP)—President Roosevelt nominated Norman Armour of New Jersey today to be ambassador to Argentina.

## Argentine Corned Beef Was Bought by the Navy Dept.

Washington, May 4.—(AP)—The navy department recently bought Argentine corned beef in reference to the United States corned beef because of the difference in price and quality.

Admiral William D. Leahy, then acting secretary of war, told a house appropriations committee.

The admiral's testimony was made public today when the navy appropriations bill was reported to the house.

Representative Scrantom (D-Nev) told Leahy the American National Live Stock association had said the government-substituted Argentine Meat Producers' corporation had bid 157 cents a pound for corned beef and lamb at Norfolk, Va.

The lowest domestic bid was 226 cents, submitted by the United Packers, Inc. of Chicago, for beef delivered at Chicago.

"There appears to be a very important matter of quality involved," Scrantom said, "under the bid American bid a rule was arbitrarily set, giving the Argentine producer a margin of 25 percent on the supply of corned beef or material. Can you obtain for the committee information as to whether, as the result of what particular bid, Argentine beef was or was not purchased?"

"An award was made for the Argentine product," the admiral replied, "because of the difference in price and the better quality of the product."

## "Murder" Victim Once Threatened to End Her Life

Rockville, Md., May 4.—(AP)—A defense witness at the wife-murder trial of Dr. William F. Lammie, 33, today testified that she once threatened to "commit suicide."

The witness, George Thurg, former Lammie's National bank supervisor and now a school supply salesman at Rockville, Md., related that he walked in his house one day where Mrs. Lammie and his wife were.

Speaking in precise words, Thurg said Mrs. Lammie took a dress she was making, and the floor kicked it and exclaimed:

"I hate this town and if I have to live here all of the time I'll commit suicide."
